Dear David,

I want to take this opportunity to thank you and your staff for the great experience I had in the design and construction of my 56,000 sq.ft. Mercedes-Benz and BMW Dealership in Myrtle Beach, S.C.

Mr. Billy Algieri and Ms. Laurie Ollis, along with your oversight, did a wonderful job keeping the project moving with an on-time and on-budget result. They did a very good job of communication with both me and the contractor.

I could not be more proud of the finished product.

Yours very truly,

Dennis D. Higginbotham
President
