To whom it may concern,

Hendrick Motorsports has had a long and successful relationship with the principals and employees at Redline Design Group, and we continue to work with them on many on-going projects. They are both creative and responsive to the client's wishes, and are extremely knowledgeable about the motorsports and automotive industries. I feel that they would be a great asset to any NASCAR team owner or project team that chose to work with them.

Sincerely,

Marshall Carlson  
General Manager, Hendrick Motorsports.
